Doctoral Programme in "Education Sciences and Psychology"
Cycle XXXIV
Coordinator: Prof.ssa Vanna Boffo

PhD Student: David Martínez Maireles	
Year: 3º	
Tutor: Professore Capperucci	
Scientific Sector (SSD): MPED04	
Research (title of the Thesis, if available): Assessment of student learning during the process of innovation and improvement of educational practices	
Study abroad	**University:** Università degli studi di Firenze
	Period: Course 2019-2020 and 2020-2021
	Goal/s:
	Realize de la Co-tutelage with the University of Florence to obtain the distinction of co-tutelage also the distinction of international PhD.
	Collect data from different Italian schools to complete part of the doctoral thesis:
	• Contact with schools for data collection.

	• Conduct semi-structured interviews with different educational agents. • Administer the ActEval questionnaire (Quesada et al. 2013). • Collect documents in different schools. • Treat the data collected. • Analyze the data collected. Attend compulsory one-year training that takes place at the Università degli studi di Firenze. Attend and participate, by presenting different communications, at different conferences. Publish in an Italian scientific journal. Develop and expand the international network of contacts with other researchers. Know the practice of educational research in Italy. Improve the level of Italian.
